Join our child development specialist in a weekly online session that will help you develop your parenting abilities. You will learn proven strategies for:

- Reducing power struggles with your child.
- Empowering your child to attempt hard things.
- Effective and safe ways to respond to your child's behavior.
- Increasing your confidence.

Cost: \$500 for the 8 sessions.

Classes are held Mondays, 6:30-7:30 pm, from Sept. 23 to Nov. 18. Course is designed for parents with children ages toddler to tweens. To register, please contact the clinic at 408.358.1853.
